CREDIT

Fox Valley Health Professionals is an approved provider of continuing nursing education by the Wisconsin Nurses Association Continuing Education Approval Program Committee, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This program will offer 2.25 contact hours. Successful completion includes attendance of 100% of the seminar, completion of a post-test and program evaluation.

TARGET AUDIENCE: This program is designed for nurse practitioners, physician assistants and allied health personnel.

PURPOSE: To review the current guidelines for management of asthma.

OBJECTIVES:

1. To review the current guidelines for management of asthma.
2. To recognize current medication/treatment of asthma.
3. To understand pulmonary function testing.
4. To define the difference between asthma and COPD.
5. To understand the differences and similarities of treatment options for asthma & COPD.
